What up Lil Sister? Aint Nothing up wit Me,  
 I'm just chillin like a player, I finally got  
 a couple of envelopes so I can write you.

I be in here trippin off some of  
 these Chumps, Niggas be straight up peepin  
 in here there are gangstas with NO guns!  
 players wit NO girls! and so called big  
 cops boys wit NO Money on the books ee?  
 and then you got the player haters, I be  
 peepin a couple of these Niggas lookin at  
 Me crazy but when they notice that I  
 peeped em they just look away. They

probably just want to be like Me, a  
 straight up player ee! I be trippin off  
 them Niggas, but then I think to Myself  
 DAMN I used to act just like them socka.

but you know what? as much as I be catchin  
 Niggas lookin at Me crazy about none of em  
 step up like they want Drama. you know  
 what im sayin? I be kickin it with the  
 Chgs of My pod most of the time; becu  
 I can learn a little something from them  
 you know what im sayin? I aint tryin  
 to kick it wit no young Chumps that I  
 cant learn nothin from, becu now that  
 I have finally MAtured IM on a mission to  
 Enhance My Mind as well as My spirit.

Im thinkin that when I get to 008857  
 taint in gonna get my PhD in philosophy

So Then My Name Will be Dr. Lee E. Moore for  
years, I like the sound of that ~~see~~.

Well, Anyway what's up with you? Today  
is Sunday the 21st Did you go to the  
black family reunion? I wish I could have  
went. I know there were a whole lot of  
positive vibes down there today.

I wonder why our family don't have  
family reunions? They should get together at  
least one time out of the year you  
know what I'm saying? on your last letter  
you asked me if I was the one who killed  
that man, Well I actually was the triggerman  
but at that point in my life my mind was  
all messed up! I wasn't on crack but my  
mind about stable, I guess you can say I  
was crazy, becuse of situations I had  
been through & situations I was going  
through at the time, I felt like I was  
all alone in this corrupt ass world! I  
felt like didnt Nobody care about me so  
eventually I stopped caring about myself.

And when you stop caring about yourself  
your bound to fail, you know what I'm  
saying? but I really regret what I  
did, not becuse I got caught but becuse  
it was wrong! I feel like if I would  
have had a strong father figure in my  
life growing up my mind would not have

008858

been so far away. A strong father  
figure is an important factor in the  
growth of a young boy, you know what  
I'm saying? Don't get me wrong Mama was  
a good mother but she couldn't be the  
mother + the father! a boy Needs a  
father in his life. I hope you understand,  
Well its time to eat so I'll hold on at  
you later. Peace!

Love, your brother

First of all I want to say that I know what I did was wrong & I am very sincerely sorry about what I did.

I Realize that I must be punished for the crimes that I committed & I have no problem at all with taking responsibility for my actions. Since I have been in jail for this last past year I have matured spiritually <sup>as well as</sup> mentally, I understand what it means to be a real man & how to live a righteous life, I can truly say that if I was to walk out of the courtroom & go back home I would definitely live a totally different type of life, I know that's not possible & that's not going to happen in. I just tellin the truth.

I truthfully cannot stress enough how deeply sorry I am for what I did, ~~I know that the Olinger family must be really hurt~~  
I Realize that the Olinger family lost a loved one because of me & I really do sympathize for them. At the time this crime was committed I had a real messed up mentality, I had a terrible self-esteem, I had feelings of depression, confusion and anger all wrapped up inside of me & these emotions just kept building & building until one day I just clicked and <sup>they</sup> I made the most terrible mistake of
